

## Your Christmas tree permit is subject to the following stipulations:

- Only pinyon pine and juniper (cedar) trees with a maximum height of nine (9) feet may be taken.
- Topping of trees is prohibited to prevent damage to mature trees.
- Trees must be cut within six inches of the ground.
- Removing boughs or branches at the cutting site is prohibited. If left behind, they could provide fuel for wildfires or homes for bugs or diseases that may damage the forest.
- Trees must be tagged prior to removing them from the cutting site.
- Use of motorized vehicles are restricted to existing roads to prevent damage to vegetation and meadows.
- Trees without a tag will be confiscated.
- Trees can only be cut in designated areas. These areas were chosen to help us manage forests and provide habitat.

**NO REFUNDS!**  
**PERMIT EXPIRES 12/25**

**BE SURE TO WATCH FOR CHANGING  
WEATHER CONDITIONS**

Vehicle access to these areas will change depending on snow depths. Dress appropriately, carry extra food, and make sure your vehicle is equipped with tire chains, a shovel and emergency supplies.

**Four-wheel drive vehicles are recommended for access to cutting areas.**

Your BLM office will have more information on road conditions. Check with us at (970) 244-3000.

## RECYCLE YOUR TREE!

Your Christmas tree can be recycled at the Mesa County Landfill

Bureau of Land Management  
2815 H Road  
Grand Junction, CO 81506
